JOINT STATUS REPORT AND PROPOSED BRIEFING SCHEDULE

The parties jointly file this joint status report and proposed schedule in response to the Court's Order of March 7, 2011.¹ This is an action under the Administrative Procedure Act, 5 U.S.C. §§ 701, *et seq.* The defendants have filed their Answer to the Complaint and have lodged the Administrative Record upon which the agency decisionmakers based their record. The parties agree that the only remaining proceeding is the Court's determination of the merits consistent with the standard of review established in *Olenhouse v. Commodity Credit Corp.*, 42 F.3d 1560 (10th Cir. 1994). The parties jointly request that the Court set the following briefing schedule, with all briefs to comply with the page limits established by the Court's Local Rules:

1. The plaintiffs will file their opening brief on June 24, 2011.
2. The defendants will file their response brief on July 29, 2011.
3. The plaintiffs will file their reply brief on August 26, 2011.

¹ Because the parties agree this case does not require further discovery and can be reviewed entirely on the Administrative Record already lodged with the Court, the parties have not included a Discovery Plan under Fed. R. Civ. P. 26(f). See Fed. R. Civ. P. 26(a)(1)(B)(i).

4. The parties take no position on whether oral argument is necessary, but request an opportunity to confer about available dates if the Court wishes to hold oral argument.

Dated: April 26, 2011

Respectfully submitted,
